

IMPORTANT: Please follow these instructions carefully when setting up your Mobilize Rescue Systems unit.

Mobile Rescue System | Setup Guide

You'll need some information before starting setup instructions:

1. **The Charging Cord** | you can find it in the plastic bag that came with the unit.
2. **Access to Wi-Fi** | The name of your Wi-Fi network and the Wi-Fi network password
3. Your Mobilize account name and password.
(If you don't have one yet we will create one later.)
4. Your Mobilize Mobile Unit Serial Number.
(It's the 8 digit number on the small white sticker on the back of the tablet.)

DISCLAIMERS. ALTHOUGH THE PRODUCTS MAY BE USED BY THE INDIVIDUAL TO PROVIDE MEDICAL ATTENTION, (A) THE MOBILIZE RRS, LLC IS NOT A HEALTH CARE PROVIDER AND IS NOT RENDERING MEDICAL ADVICE OR DIAGNOSIS TO ANYONE; AND (B) THE PRODUCTS ARE NOT INTENDED TO REPLACE THE NEED FOR SEEKING MEDICAL ATTENTION FROM A MEDICAL PROFESSIONAL.

Product Registration Warranty Statement: To activate your limited warranty, you must register your Mobilize Rescue Systems with fourteen (14) days. Mobilize Rescue Systems requires this registration so you can receive appropriate software and other product updates, allow access for our ongoing technical support, and initiate service requests. Failure to properly register your Mobilize Rescue System product renders your warranty void.

Let's make sure the battery is fully charged.

1. Remove the tablet from the touch-through pocket in the case lid.
2. Assemble the cord and plug in the tablet.
3. Keep going while the unit is charging.

2

Connect to Wi-Fi.

4. Locate **Wi-Fi Settings** on the right side of the screen and touch **On/Off**.
5. On the next screen find **Off** near the top and toggle it to **On**. 
6. Choose your Wi-Fi network, enter your Wi-Fi network password and touch **Connect**.
7. Touch the **Back button**  twice on the bottom of the screen.

3

You are at the sign in page. Let's get you registered.

8. Sign in if you have an account, or choose Create Account and follow the prompts.
9. Enter your serial number. (It's the 8 digit number on the back of the tablet.)
10. You will be at the **TAKE A DEEP BREATH** screen.
11. **The battery is in upper right corner. At 100% unplug the tablet and replace it in the touch-through pocket in the lid so the red dot is in the lower right corner.**

Good job!

No need to turn anything else off. Your unit will put itself to sleep when you close the lid. We'll let you know if you need to enable WiFi to update your software.

YOU MUST CHARGE YOUR UNIT ONCE A MONTH.

You will receive monthly emails reminding you to charge your unit, perform a diagnostic check, check expiration dates, and more.
